

Dear Palina the Paci - Fairy,

I am a BIG KID now! I don't need my pacifiers anymore! Please come take my paci's and give them to all the new babies that need them to feel safe and sleep at night.

In exchange for my paci's please bring me _____

Please come over to my house... after I go to sleep!

I will leave my paci's out for you!!

Thank You Palina!

Love,
